

TRAIL INFORMATION

Please use caution: Trails are unpaved and may have exposed roots, stumps or uneven ground. Trails pass through upland hardwood forest and successional hardwood forest requiring ongoing removal of invasive plant infestations.

Stay on designated trails to avoid trespassing. Always take precautions to deter biting and stinging insects and respectfully observe wildlife from a safe distance. Hikers and bikers share the trail - use courtesy when interacting with other trail users.

PRESERVE CLOSSES AT DARK

In case of emergency, trailheads are located at the corners of SW 21st Street / SW 48th Avenue, and SW 21st Street / SW 19th Way.

OUR MISSION

Alachua Conservation Trust (ACT) is committed to protecting the natural, historic, scenic, and recreational resources in and around North Central Florida. ACT protects land through purchase, donation, and conservation easements.

Alachua Conservation Trust is a non-profit land trust that works with landowners to protect our special places. Since 1988, ACT has directly acquired more than 20,000 acres in North Central Florida for public parks and nature preserves and has helped private landowners achieve their conservation goals on thousands of additional acres.

On December 6, 2018 Alachua Conservation Trust in partnership with Alachua County closed on the 111-acre Serenola Forest. Alachua County through the Alachua County Forever program generated funds with the 1/2-cent sales tax from Wild Spaces Public Places, and ACT raised funds from supporters like you, private foundations, and charitable grants.
