OUR MISSION

Alachua Conservation Trust (ACT) is committed to protecting the natural, historic, scenic, and recreational resources in and around north central Florida. ACT protects land through purchase, donation, and conservation easements.

Alachua Conservation Trust is a non-profit land trust that works with landowners to protect our special places. Since 1988, ACT has directly acquired more than 24,500 acres in north central Florida for public parks and nature preserves and has helped private landowners achieve their conservation goals on thousands of additional acres.
